

GUIDELINE: Student Dress Code

1. PURPOSE

The purpose of this policy is to set out Our Lady of Lourdes Sunnybank uniform requirements and our expectations for the wearing of school uniform.

2. GUIDELINE

In accordance with section 360 of the Education (General Provisions) Act 2006 (Qld), a Principal may develop a student dress code that will apply when students are attending, or representing, the school.

School uniforms perform several important functions within the overall operation of schools, including: fostering a sense of school community and shared mission; increasing a sense of belonging and engagement; promoting health and safety and encouraging respect in self and school.

Students in uniform also represent their school and therefore play a central role in the presentation of Brisbane Catholic Education schools to the broader community.

Our Lady of Lourdes Primary School takes pride in its school uniform. It is a highly visible symbol of who we are and students are expected to wear the full school uniform neatly and with pride. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code. Any variations to the School Uniform must be approved by the School Principal.

Our Lady of Lourdes Sunnybank encourages children to take pride in themselves and their school identity through the wearing of the approved school uniform. The school uniform endeavours to take into account the Queensland Government SunSmart requirements as well as equity, diversity and choice.

The uniform is a smart wearable and practical design – easy for parents and staff to enforce. Notably the uniform is affordable for families.

The Our Lady of Lourdes Student Dress Code and Expectations:

- Students are expected to wear the uniform whilst attending or representing the school; excursions unless otherwise stated, travelling to and from school, and participating in some school events out of school hours
- The School has an agreed uniform and all students are expected to wear the uniform on all days except on designated days such as free dress days and for special events.
- Uniform should be worn clean, neat and tidy.
- A school uniform makes selection of clothes easy for parents and ensures the standard of dress is suitable for school.

GUIDELINE: Student Dress Code

- The school requires children to participate in many activities and at all times must be comfortable and modest. The school uniform meets these requirements.
- At the time of enrolment, the Our Lady of Lourdes Student Dress Code will be explained to parents/caregivers and students, and they will be requested to sign the Enrolment Agreement.
- On designated occasions, students may be permitted to wear **"free dress"**. Students should wear enclosed footwear, their school hat and casual wear which is appropriate for school. This excludes overly expensive, immodest or clothing bearing vulgar or offensive words or graphics and/or unacceptable hair styles.
- Where new uniform requirements are introduced, a suitable transition arrangement for the introduction of new uniform items will be implemented by the school.
- The Our Lady of Lourdes Student Dress Code is informed by equity and fairness, inclusion, cost and affordability, practicality and responsiveness to individual needs.
- Under the Education Act, the Principal is able to apply sanctions for non-compliance with the dress code, such as detentions or preventing a student from attending, or participating in, any activity for which the student would have been representing the school in the reasonable opinion of the school's Principal, is not part of the essential educational program of the school.
- If students and parents choose not to follow the school's dress code policy, the Principal may choose to withdraw the child from the class and school events and/or contact the parents to collect the child. The student will not be permitted to return to school until the issue has been resolved and the student and parents support the school in following the school policy.
- If an accident or difficulty prevents the student from wearing the full uniform on any particular day, parents are required to send a note of explanation to the child's class teacher.
- Any variance to the Our Lady of Lourdes Student Dress Code is the responsibility of the Principal.
- Parents seeking exemptions to the Our Lady of Lourdes Student Dress Code due to religious beliefs, ethnic or cultural background, student disability, issues of equity and fairness, health condition or economic hardship must apply in writing to the School Principal who may choose to raise the exemption with the School Board at its next convened meeting.

3. PRINCIPLES

The following principles apply when developing, revising and approving the Our Lady of Lourdes Student Dress Codes:

- **subsidiarity:** decisions on school uniforms must be informed by consultation at the local school level. Input from the school community should be sought as part of a process of discussion and discernment

GUIDELINE: Student Dress Code

- accountability: school uniforms must be consistent with health and safety considerations, e.g. sun safe, protective clothing, clothing appropriate to curriculum activities. Student dress codes must comply with anti-discrimination and human rights legislation to ensure they do not give rise to unlawful discrimination against students
- practicality: school uniforms must contribute to the wellbeing of students by providing adequate protection from the elements and a degree of comfort that allows for full participation in all school activities, including play, sport and other physical and recreational activities
- affordability: attention must be given to cost considerations when school uniform options are determined. This includes durability of uniform materials to reduce replacement costs and possible staged introduction of new uniforms.
- equity, diversity and choice: schools must provide uniform options or modifications, including shorts and pants, in all uniform categories for all students, reflecting the diverse needs of students and supporting student mental health and wellbeing
- responsiveness: allowance must be made for adjustments to the school's student dress code to cater for specific student modifications or exemptions, for example, the wearing of clothing that conforms to the observance of faith.
