Our Lady of Lourdes Catholic Primary School, Sunnybank

Information, Communication and Learning Technology (ICLT) Acceptable Use Agreement

Prep to Year 3

Information Communication and Learning Technologies (ICLTs) includes the use of computers, the school network, the internet, digital/video cameras and scanners.

At Our Lady of Lourdes School the use of information, communication and learning technologies is used to enhance teaching and learning in many ways. It is our responsibility as a school community to ensure the appropriate use of these technologies and assist students in making correct and informed decisions regarding its usage and the value of the information gathered.

The following sets out the acceptable usage and procedures that cover the legal issues, copyright, risk benefits, privacy and responsibilities of students from Prep to Year 3. We ask the parents in consultation with the students, carefully read and discuss the following, sign and return to their classroom teacher.

GENERAL USE

1. When using computers I will do the work I am meant to be doing.
2. I will take care of the school’s equipment.
3. I will start-up and shut down the computers correctly.
4. I will only work on my work and store it correctly in my own folder.

I understand the points outlined above and I agree to follow them. If I ignore any of the above I may have the privilege of the use of ICLTs at Our Lady of Lourdes Catholic Primary School, Sunnybank taken from me.
