Attached to this notice is the 9.0 Project Consent Form. It has been developed by the Queensland Government to mainly allow student’s names to be published in sporting programs and for their photos to be taken at sporting events and possibly published at a later date in Education Queensland promotional material. This form is valid for all District, Regional, State, Interstate National and International events. It will be effective from the time of submission to the school office until your child finishes primary school. The form will be kept on file at Our Lady of Lourdes.

**It is optional to sign this form.** Your child may still compete in District and other sporting events conducted by the Queensland Government, however their names will not appear in any programs and photos will not be taken of them.

At any time you may rescind the consent form or complete the form to give permission.

---

**If your child is nominated for District carnivals or trials, please complete the 9.0 Project Consent Form (2 pages) and return it to the School Office.**

If you DO NOT wish to complete the form and give permission, please indicate this below and return this page to the School Office.
