

2024 School Fee and Levies

Dear Parents/Caregivers,

During Term 4, a focus for Our Lady of Lourdes was the preparation of the 2024 school budget. This work aimed to ensure we can continue to provide the best education for your child and protect the financial sustainability of the school.

Three main factors are influencing our 2024 school fees:

- a new government funding model which determines our school's fees are based on student needs and calculated on a Direct Measure of Income (DMI) score, and
- a review of the sibling discount for consistency across all Brisbane Catholic Education schools
- the anticipated increase in staffing and education expenses for 2024

These factors have resulted in the following changes to our 2024 school fees:

- an overall less than 5% increase in school fees and levies
- sibling discounts will be as follows:

1st child	100% tuition fee charged
2nd child	56% tuition fee charged
3rd child	38% tuition fee charged
4th child	20% tuition fee charged
Additional children	no tuition fee charge charged

I appreciate that an increase in fees can be difficult for some families. If you have any concerns about the 2024 school fees, please contact the school to discuss your family's circumstances.

Kind Regards,

Phillip Manitta
